

Turn Your Hobby into a Business

You're probably operating a small business if the following are true:

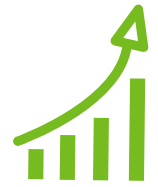

Your motivation is
PROFIT, not fun

You keep accounting
inventory & other records

You invest
significant time

You expect assets you
use to appreciate in the
future.

You've conducted
similar, profitable
activities in the past.

You consult professional
advisors to improve
profitability.

The money is
needed income

It's been profitable for
at least 3 of the last 5
years

To formally transition from a Hobby to a Business:

Write a business plan.

Open a business banking account.

Begin collecting state sales tax (if applicable).

Choose a business entity.

Engage a CPA and other advisors.

Wondering if your hobby could become a profitable business?
