

Keeping up with payroll is a demanding task that requires attention several times each month. It involves accurately tracking time worked, overtime worked, vacation days, sick days, and deductions of every employee within your organization.

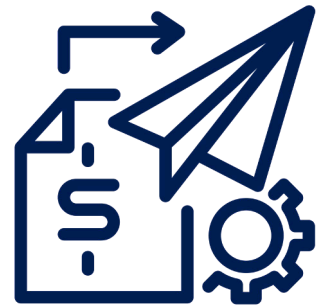

To assist you, we offer Avizo Payroll services. In order to get a quote on pricing, you will need to answer the following questions:

- How many employees do you have in your organization (including yourself) who will require a paycheck?
 - How many are hourly employees?
 - How many are salaried employees?
- How often are your employees paid? Weekly, bi-weekly, or monthly?
- Do you require direct deposit or live checks?
- What kind of time-keeping system do you use?

All you have to do is verify the time sheets & email them to your Avizo Payroll Specialist.

Our team of experts will take care of the rest, which gives you time to focus on running your business.

Gain peace of mind knowing your employees will be paid accurately & on time.
