Small Business Tax Liability Relief

Effective March 18, 2020, the Alabama Department of Revenue is extending relief to small retail businesses that are unable to timely pay their February, March, and April sales tax liabilities.

Small businesses whose monthly retail sales during the previous calendar year averaged \$62,500 or less may file their monthly sales tax returns for the February, March, and April 2020 reporting periods without paying the state sales tax reported as due. Late payment penalties will be waived for these taxpayers through June 1, 2020.

Similar sales tax relief may be available on a case-by-case basis to other businesses significantly impacted by the coronavirus (COVID-19) and the preventative measures being taken to limit its spread in Alabama.
