

PROVIDER RELIEF FUND

PHASE 3: Applications open from October 5 – November 6

Phase 1:

\$50 billion sent automatically to nearly 320,000 providers who bill for Medicare fee-for-service

Phase 2:

\$18 billion available via application to eligible Medicaid, CHIP, and Dental providers

Phase 3:

\$20 billion available for all previously eligible plus **assisted living facilities** and **behavior health providers**

Eligibility Requirements

Providers may be eligible even if you previously applied for, received, accepted, or rejected payment from prior PRF distributions.

You billed Medicaid/CHIP or Medicaid managed care plans between 1/1/18–3/31/2020.

You billed a health insurance company for oral healthcare-related services as a dental provider as of 3/21/2020.

You're a licensed dental service provider as of 3/21/20 & you don't accept insurance but have billed patients OR billed Medicare fee-for-service between 1/9/2020–3/31/2020.

You are a Medicare Part A provider that experienced a CMS approved change in ownership prior to 8/10/2020.

You own a state-licensed/certified assisted living facility as of 3/31/2020.

You are a behavioral health provider as of 3/31/2020 who billed insurance or does not accept insurance but has billed patients for services as of 3/31/2020.

Filed a Federal income tax return for fiscal years 2017, 2018, 2019 (if in operation before 1/1/20).

You provided patient care after 1/1/20 (includes health care, services, & support provided in a medical setting, at home, or in the community).

You have not permanently stopped providing patient care – directly or indirectly.

Individuals providing care before 1/1/20 have gross receipts or sales from patient care reported on Form 1040.
